2025 Vegetation Debris Pick-up Schedule:

- February 17th through February 22nd, 2025
- April 21st through April 25th, 2025
- October 20th through October 24th, 2025

Vegetation pick-up will be provided as a one-time sweep only on the dates provided within the calendar. All vegetation must be placed roadside on or before the pickup week. Debris not placed out before the pickup week will not be collected.

Instructions for Homeowners:

- Please place vegetation near the roadside in the right-of-way the week prior to the scheduled pick-up.
- Public Works will be providing the pick-up as a one-time sweep only on the aforementioned dates.
- Grass clippings, mulch, leaves, pine straw and vines must be in paper lawn and leaf bags. These bags are available at local hardware stores. Acceptable material placed in plastic or any other type of bags will not be picked up.
- Tree limbs must be no longer than 6 feet in length and no larger than 6 inches in diameter. All vegetation must be placed in the right-of-way for pick up and should not be placed in or obstruct a roadway in any way.
- Debris from lot clearing (i.e. building a home) is not included and will not be picked up. Vegetative debris resulting from the hiring of any private contractor will not be picked up and is the responsibility of the contractor - the Town will not remove.

Reminders

- Put carts out the night before pickup in a visible spot at the end of driveways. All trash must be contained within the cart.
- Pull in carts by 10 am the day after collection.
- No plastic bags or materials contaminated by food, grease, etc. in recycling, including pizza boxes.
- All materials left outside the cart will not be picked up. If you frequently run out of room, another cart should be ordered.
